***Disclaimer**

We at HPHOP hold to the Historic Premillennial view of Jesus' return. There are other views (generally 4 views total). We do not claim to be 100% correct nor do we view any other view to be 100% wrong. We are all part of the Church and we need each other!

We believe our view to be the most Biblical view, leaning on over 150 chapters (not verse) of the Bible, both Old and New Testaments.
